## PUBLIC HEALTH ADVISORY

### *West Nile Virus (WNV) & Eastern Equine Encephalitis (EEE)*

To avoid being bitten by mosquitoes and getting sick from WNV or EEE:

- Wear long pants, long-sleeved shirts, a hat, and socks to protect exposed skin
- Use an insect repellent (bug spray) with 30% or less DEET
- Picaridin or oil of lemon eucalyptus may be used instead of DEET
- USE ACCORDING TO DIRECTIONS ON BOTTLE
- Adults should apply repellents to children
- Get rid of standing water so mosquitoes can't breed

For more information call City of Nashua, Environmental Health Department at (603) 589-4530, visit our website at [www.nashuanh.gov](http://www.nashuanh.gov) or call the State of New Hampshire West Nile Virus information line at 1-866-273-6453.
